VOLUNTEERS NEEDED

ESL UPDATE

We continue to have over 50 students coming each week on Tuesdays and Thursdays for our English classes. **We are in need of additional people willing to teach – no experience needed – just a heart to help people learn English.** In December we had Christmas parties for each of our 4 levels of classes in a teacher or helper's home. For some of our students it was the first time that they were in a native born American's home. For many that come from other countries it is rare to receive this kind of an invitation. We are thankful that we were able to celebrate our Savior's birth with our students. We celebrated with games, singing, neighborhood caroling, food, gifts, and lots of good fellowship! Please continue to pray for this ministry. Interested in learning more? Please contact Miska Brown.

SEEKING VOLUNTEERS FOR WORSHIP TEAMS AND AVL

Are you musically inclined? Do you have an artistic eye? An ear for sound? Please consider joining our Sunday morning crew! We are always in need of more help and are looking for people to participate on worship teams, run sound, and operate the slides and cameras on Sunday mornings. Please contact Sarah Morris at nlgworship1@gmail.com for more information. **For all those wanting to join worship teams, note that we would like to meet after the second service on February 25 to hear you play or sing**, so be sure to mark that date on your calendar.

KIDS CLUBS VOLUNTEERS NEEDED

We're looking for one male and one female adult willing to serve as substitute leaders on occasional Wednesday evenings. If interested, contact Bea Galloway at nlgkidslife@gmail.com for details.

WELCOME DESK GREETER NEEDED

Can you help the first Sunday of every month from 8:10 to 8:45am? The tasks include: sign people in using the electronic attendance pad, greet people, welcome newcomers, and provide directions. A smile and willingness to help is all you need. Training on the computer provided. Get to know your church family! Contact Bob McInnes at nlgbusinessmgr@gmail.com to offer your help. If you can't commit to this time but would prefer another, contact Bob and let's discuss. We would like to see the Welcome Team grow!

ROOMS FOR PARENTS AND THEIR CHILDREN

New Mothers' Room—for Moms with young babies (those who are still nursing or taking regular bottles). Exit the rear doors of the Sanctuary and turn right. There is a changing table in there as well. Please knock before entering.

Family Room—for Dads with babies or parents who want to continue to practice sitting through the service with their children. We understand that some weeks might be harder than others to keep your children in the Sanctuary - this room is for you. Head down the stairs and turn right.
