The Spirit Gives Life!

1. What is the significance of God breathing life into man? Why did He create us this way when He could have just snapped His fingers and made us appear?
2. Do you struggle to think of the Holy Spirit as a real living person? How do you tend to think of the Holy Spirit?
3. In what ways can different sins such as lying, stealing, envying, idolatry, etc. drain life and bring death?
4. What ways can you breathe life into those around you this week? How can you be more intentional in seeking to be a life-giver?
