Questions for Further Reflection and Application

1. Read the Sermon on the Mount (Matt. 5-7). As you read, ask these questions: How is Jesus reteaching the truths and practices of the Old Testament? How does His teaching reveal new depth, expose our attitudes and motivations, correct our misperceptions, and redirect us back to God? What is your big "take-away" from His sermon?
2. Jesus teaches about who is in God's family. How did you find your way into God's family? What do you do (or should do) to be a part of that family? What differences does being a part of God's family make in your life?
