## **Are You Listening?**

Mark 4:1-20

Jesus teaches in parables

1. v. 3-9 - The parable

2. v. 10-13 - The purpose of the parable

3. v. 14-20 - The parable explained

Are you listening?

## **Application questions:**

1. Why did Jesus use parables to teach?
2. Do you have a problem with Jesus using insider and outsider language? Why or why not?
3. What are ways that your daily routines are drowning out the voice of Jesus in your life? What steps can you take to make Jesus' voice the loudest voice you hear?
4. Are you spending time regularly in God's Word? Share, pray and encourage each other to be reading and listening to the voice of God in His revealed Word to us.
